

Loyola Marymount University (LMU) welcomes Marymount California University students to apply for transfer admission for the fall 2022 semester. To assist students during this challenging time, we will waive their application fee and we are available to connect with students to discuss any questions they may have regarding the application and next steps.

The link below will direct you to the LMU online application. Additionally, please request for official transcripts to be sent to LMU to complete the application.

We are committed to supporting MCU students as they navigate transferring to LMU, and throughout their academic career at the University. We will complete a thorough evaluation of your MCU coursework for transfer credit after acceptance, and provide academic advisement to ensure a timely graduation in line with students' current academic standing at MCU.

All students offered transfer admission are automatically considered for merit-based scholarships as part of the admission process. There is no separate merit scholarship application required. To determine eligibility to for need-based financial aid, students should add LMU's school code (001234) to their Free Application for Federal Student Aid (FAFSA).

For questions or to schedule a meeting with a transfer admission counselor, please contact us at 310-338-5913 or via email at transfer@lmu.edu.
