Dear Marymount California University students,

Thank you for your interest in transferring to Westcliff University. I want to take this opportunity to welcome you and introduce you to Westcliff - a private and affordable university located in Irvine, California.

Westcliff was established to provide quality education for students wishing to enter the fast-growing fields of Business, Education, Computer Science, and Information Technology. The university received its initial approval from the California Bureau for Private Postsecondary Education in 1993. Like Marymount, Westcliff is accredited by the Western Association of Schools and Colleges Senior College and University Commission (WSCUC). Westcliff's business programs (BBA, MBA, DBA) are accredited by The Accreditation Council for Business Schools and Programs (ACBPS).

Our curriculum is designed to prepare you with the practical and theoretical knowledge required by today's job market. Westcliff University offers live online and on-campus courses that are convenient and affordable. Similar to Marymount, our student to faculty ratio of 10:1 ensures close faculty-student interaction and faculty mentorship. And as a testament to our quality program, our student satisfaction rate is 94%.

To ensure that your transition to Westcliff is welcoming and smooth, Westcliff offers the following for MCU students:

- Acceptance of all applicable credits completed at MCU (see attached course mapping). Credits transferred from other institutions to MCU will be accepted on a case-by-case basis.
- No application fees
- Expedited admissions process
- Guaranteed admission for students in good academic standing
- A \$1,000 MCU Transfer Scholarship
- Merit and need based scholarship opportunities for eligible students

I understand this is a difficult time for you. If you decide to apply to join us, the staff at Westcliff will do their utmost to make your transition as smooth as possible. We will be on campus to assist you at the May 19 Transfer Fair. In the meantime, please feel free to contact our Recruitment and Outreach department at outreach@westcliff.edu or 949 569 9944. I look forward to you joining Westcliff.
