

May 10th 2022

Hello Robyn,

I have talked to our admissions office and faculty committees for the MSB program and the Full Time MBA program. Students who apply to the MSB program will be offered guaranteed admission if they have a GPA of 3.3 or higher. *(All students are welcomed to apply and will have their application fee waived)*

Here is what's needed for the Admission Office for guaranteed admission

1. Students apply via [BusinessCAS](#) by application [deadline](#). (Their application fee is waived) Contact [Minette Lizarraga](#) for the application waiver code.
2. After the application is submitted/received, students will receive an application acknowledgement email (the following business day).
 - The app acknowledgment email will contain their CWID.
3. Students should send an email to PGBS.Admission@pepperdine.edu, include the CWID, attach MCU admit letter, request it be added to their file.
4. Submit all [required application materials](#) by [deadline](#)

FTMBA Students:

1. Students apply via [BusinessCAS](#) by application [deadline](#). (Their application fee is waived) Students can email [John Lewis](#) for the application waiver code
2. After the application is submitted/received, students will receive an application acknowledgement email (the following business day).
 - The app acknowledgment email will contain their CWID.
3. Students should send an email to PGBS.Admission@pepperdine.edu, include the CWID, attach MCU admit letter, request it be added to their file. Special consideration will be given by the evaluation committee for those students who were admitted into Marymounts MBA program.

Let me know if you have any questions.

Thank you
Karen Jackson
